Management has analyzed the tax positions taken and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a

Form 990, Part I, Line 1, Description of Organization Mission:

Eurasia Group Foundation (EGF) is a nonpartisan, nonprofit organization that works to connect people to the geopolitical issues shaping their world. Fostering a greater understanding of the issues broadens the debate and empowers informed engagement. EGF makes complex geopolitical issues accessible and understandable.

Form 990, Part III, Line 1, Description Of Organization's Mission:

We live in a world of intense political polarization, even as we experience unprecedented global connectedness. Our geopolitical environment is uncertain and concerning. Now is the time to cultivate new thought leaders and arm them with a nuanced understanding of geopolitics, so that they can help shape the future.

EGF is a nonpartisan, nonprofit organization that works to connect people to the geopolitical issues shaping their world. Fostering a greater understanding of the issues broadens the debate and empowers informed engagement. EGF makes complex geopolitical issues accessible and understandable.

EGF fuses think-tank expertise, social media savvy, and the inspiration of a civic activist. EGF's work is focused on:

-Providing the intellectual capacity to understand complex political realities across the globe and oer a path for taking action;

-Facilitating, coordinating, and amplifying the expertise of diverse partners and experts to bridge the information gap about geopolitical

and implications;

-Creating, organizing, and sustaining opportunities for underserved youth to learn around foreign relations and political science; and

-Convening and hosting thought-leader gathers and translating the current state of thinking into online content that resonates with the public.

Form 990, Part III, Line 4a, Program Service Accomplishments:

EGF connects people across the world to the geopolitical issues that affect their lives. To that end, in 2020 EGF worked on three main projects:

1. Independent America: This multi-year research project seeks to explore how US foreign policy could be better to new global realities and to the preferences of American voters. The American public's support for a more restrained and less interventionist foreign policy is politically diverse, extending well beyond the usual anti-globalism suspects. And yet, US elected officials continue to fund small wars, arms sales, and troop deployments which are often counterproductive to the country's long-term interests, security, and prosperity.

2. Education: EGF works to create and disseminate educational materials focused on expanding the knowledge and opportunities for underserved youth. To that end, EGF created Globalization, Robots, and You, an educational curriculum for high schools students across the world. This multi-year effort resulted in the creation of a week's worth of free

content for high school teachers, including everything needed to present the issues including video to bring the content to life was scheduled for testing in May 2019. The curriculum is focused on providing accessible, current content about the implications of globalization. It is aimed at empowering students with the skills and tools necessary to understand and manage the impacts of these forces, potentially for generations.

3. Outreach: EGF is working towards a world where citizens understand the complexities of geopolitics and are included in decisions that affect their daily lives. We are amplifying ideas, perspectives, and information through extensive media engagement, engaging videos, publications, and our very own None Of The Above podcast, making issues accessible and understandable.
